

ViP® 211 | 

ViP® 211 k | 

Introducing the Best HD technology from DISH Network.

Eye-opening dramatic color and previously unimaginable picture clarity are just some of the benefits of the ViP211 and ViP211k state-of-the-art high-definition receiver. They bring you the clearest, most vivid picture that is five times sharper than standard television. Experience some of your favorite channels like never before – high-definition movies, sports and pay-per-view channels from DISH Network. Brilliant Color. Unprecedented Detail. Breathtaking Depth.

So, what makes DISH Network the Best TV?

DISH Network is 100% digital satellite television, which means it's the sharpest, clearest and highest-quality television you can get. And it's as easy on the wallet as it is on the eyes.

The Best TV for you starts here!
