

# ViP® 922 SlingLoaded™ DVR

Watch your favorite shows anytime, anywhere with the award-winning ViP 922 SlingLoaded DVR from DISH Network. Connect one high-definition (HD) TV for viewing at home, plus enjoy TV Everywhere: live and recorded programming on your computer or mobile device. The ViP 922 also features a 1 terabyte hard drive and a sleek, graphical tile-based user interface to revolutionize the way you watch TV.

## ViP 922 FEATURES

### ► Go Mobile with TV Everywhere™

- Enjoy your favorite shows throughout your home and on the go
- Watch your live and recorded programs on your Internet-connected computer or mobile device<sup>1</sup>
- Manage your DVR and record your favorite shows from your computer or mobile device with DISH Remote Access

### ► Digital Video Recorder (DVR)

- Record your favorite shows and watch them when you choose
- Pause and rewind live TV
- Record up to 2 shows at the same time or watch 1 recorded show while recording 2 others
- 1 terabyte hard drive – the largest in the TV industry

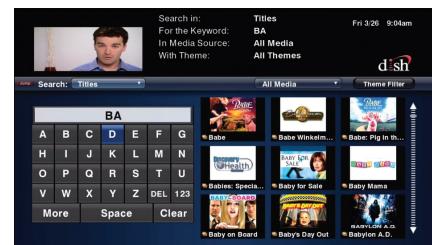

### ► Video On Demand

- Order the latest hit movies and TV shows from DISH On Demand
- Use your DISH Network remote and go to channel 1 or 501, select a movie from the menu and follow the on-screen instructions<sup>2</sup>
- You can also order movies and TV shows by logging into your account through [www.dish.com](http://www.dish.com)<sup>3</sup>

### ► Graphical On-Screen Display

- Seamlessly navigate your Program Guide, DVR, and TV viewing options
- Quickly find your favorite channels using familiar network logos

### ► Powerful Search Capabilities

- Quickly search thousands of listings across the Program Guide, DVR and Video On Demand
- Search by program title, description, or actor for instant results
- View search results in an easy-to-read graphical layout

<sup>1</sup>Must have high-speed Internet/broadband connected to your home network. <sup>2</sup>A land-based phone line or ethernet connection is required for ordering VOD content with your remote. <sup>3</sup>You must register your account on [www.dish.com](http://www.dish.com).
